◆ Promotions

Everywhere we go, our Segways generate huge interest and attract crowds of fascinated viewers. Our Segways are the perfect promoters and have been featured in many publications (have a look at our website, www.segwaystationcyprus.com, "in the media" section). We love what we do, and it

shows. We achieve the best for our customers, through:

- ✦ **Branding**— We can advertise for you by wearing your branded clothing and displaying your logo on the Segways while we interact with the public.
- ✦ **Brand Experience** — We can offer short rides to your customers or prospects, so that they associate the joy and thrill of riding a Segway with your brand.
- ✦ **Promoting** — We can provide exceptional promotional staff with our Segways at any event at any time. Our promoters are experienced, intelligent and attractive. If desired, we can also train your own staff to ride the Segways.

◆ **Team Building**

Our tours are one of the best ways to reward and motivate your team. We are flexible and able to customise an event to meet your desired outcome. Build team spirit with your people in any of our

activities, which include tours, treasure hunts, puzzles, adventures and leisure games.

Whatever you choose, we will deliver a high level of professional hospitality to your people and arrange prestigious catering such as cocktails and chocolate fountains to ensure a great time.

◆ **Corporate or Private Events**

We offer our comfortable and stylish lounge for corporate events and private parties at very affordable rates. We are easy to find behind Panayia Phaneromenis church and school, with public underground parking just opposite. Add a special touch to your party, with a unique Segway twist.
